

## **Dr. B.R. Ambedkar Merit cum Means Scholarship**

An initiative by IIGST  
for the SC,ST & OBC Students

**Dr. B.R. Ambedkar Merit cum Means Scholarship** is an initiative and a special education drive of IIGST to support the SC, ST, OBC or under-privileged students who have completed their graduation in science background and have good academic performances throughout their career and have zeal to build their future in the geospatial and emerging technology based subjects.

The amount of this scholarship is **Rs. 5000/-** and to avail this scholarship students have to enroll in our **One Year Post Graduate Diploma course(s)** (which is certified by **Maulana Abul Kalam Azad University of Technology (MAKAUT), Govt. of West Bengal**) through an **admission test** conducted by IIGST. This admission test will be held twice a year.

After examination first **10 students** will get the opportunity to avail this scholarship amount. This scholarship opportunity will be available only in case of their admission at one time full payment basis. Here students will not be able to obtain the installment options.

It is a one-time scholarship and the amount will be deducted only from the total course fees during their admission while they have to pay some other auxiliary fees like examination fees, field visit etc. separately.
